Hey Guys,

Everytime i play a power struggle match it seems that everyone else seems to spawn with better weapons than the pistol which is what i start with every time, any idea why this is or am i just seeing things?

You can customize your Weapon and save it, then you will be able to spawn with the weapon you have created, only if you got enough prestige though :D

Is there a way to find out your level of prestige? and do keep that prestige after the games have finished?

thanks
