
Ready to join a clan or recuite members ?

Posted by Vairo - 2007/07/28 03:14

If you think you are ready to start a clan , have your own forums and everything you need for it,recuite or be recruited here in CrysisEu.So please lets make it easier for members to search a clan or for a clan recuite members, provide us with information below!

1. Post useful information.

For Clans (if you are searching for a players in you clan)

Clan Name: (that would be name of your clan)

Clan Members: (number of members at the moment in your clan)

Clan Age: (age of your clan)

Clan Website: (your website link or forums)

Country/Region: (for ping purposes)

Clan Wars: (have you signed up for any leagues or competitions)

Clan Information: (information about your clan, what makes it good why i have to join it any benefits etc.)

For members (if you are searching for a clan)

Your Name: (provide us with your real name and ingame name)

Your Previous clans: (provide us with information about your previous clans)

Your Previous Games (provide us with information what games you use to play and in which clans etc.)

Your Age: (how old are you?)

Country/Region: (where do you live ,specify time zone,it is important for ping purposes)

Clan Wars: (you experience about previous clan matches , have you played in any competitions etc.)

Information: (Why are you looking for a clan ,why did you leave old one if you had any)

Your Rig: (your PC specs,discribe)

Your Connection: (What is your connection speed)

So if you are searching for a clan or a members ,please start new thread with our recomended information ! I hope we made it easier for you ...

Thanks for this thread its what we need.

heres mine, i just think you should add

Rig:

Connection:

maybe, when your recruiting you want an idea of what power your players have, lol. And which players may have the potential to host servers such as teamspeak or matches who knows.

Moved Mine to a new thread :)
